Pat Green - Wave On Wave

Tom: D

```
   D  D2  D D  G  A  D
```

```
                             D      D2   D D
Mile upon mile, I got no direction
                        G   G2   G  G
We're all playin' this same game
                      A  A2   A  A
We're all looking for redemption
                 D  D2   D  D
Just afraid to say the name
                 D  D2   D  D
So caught up now in pretending
                           G  G2   G  G
That what we're sinkin' in is the truth
                        A   A2   A  A
I'm just lookin' for a happy ending
                 D  D2   D  D
All I'm lookin' for is you.
```

```
               D      D2   D D
- You came upon me wave on wave,
                    G  G2   G  G
You're the reason I'm still here, yeah.
                  A   A2   A  A
Am I the one you were sent to save?
               D  D2   D  D
You came upon me wave on wave. -
```

```
               D D2   D  D
I wandered out into the water,
                      G  G2   G  G
And I thought that I might drown.
                    A   A2   A  A
```

```
I don't know what I was after
                      D D2   D  D
Just now that I was goin' down.
                     D D2   D  D
That's when she found me,
                   G  G2   G  G
I'm not afraid anymore.
                        A   A2   A  A
She said "You know I always had ya, baby,
                                D  D2   D  D
Just waitin' for you to find what you were lookin' for."
```

- REPEAT CHORUS -

```

```

```

```

- REPEAT CHORUS -

```
                      D      D2   D  D
The clouds broke and the angels cried
                    G  G2   G  G
You ain't gotta walk alone
                          A   A2   A  A
That's why He put me in your way
                 D  D2   D  D
You came upon me wave on wave
```
