

Patati e Patata - A Força do Sorriso

tom:
C

Se algum amigo estiver triste

Tente ajudar

Use a magia do sorriso

Pra conquistar

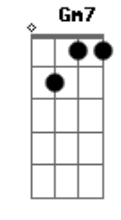

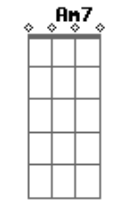

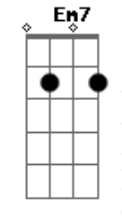

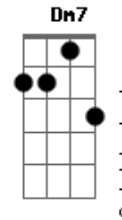

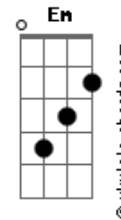

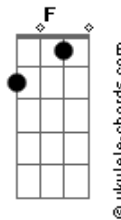

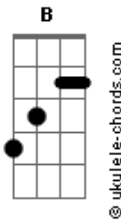

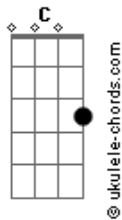

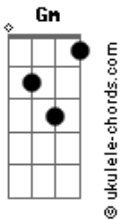

De repente

Tudo vai melhorar

Só seu sorriso tudo pode mudar

O seu sorriso me ilumina

Acordes

Vem me ensinar

Que a tempestade sempre acaba

Posso esperar

De repente vai passar

Formando um lindo arco-íris no ar

Só seu sorriso tem

A força e poder

E a alegria de viver

Com seu sorriso vou conquistar

A alegria de viver e sonhar
