Coming on strong

Here comes the river

Sometimes you got to burn to keep the storm away

But you're going to stand through it all

Bm7 **E**
Here comes the river coming on strong

A **D** **D**
And you can't keep your head above these troubled waters

Here comes the river over the flames

A **D** **D**
Sometimes you got to burn to keep the storm away

Sometimes

E
Sometimes you're cast adrift
