

# Patti Smith - People Have The Power

tom:

G

[Primeira Parte]

I was dreaming in my dreaming  
Of an aspect bright and fair  
And my sleeping, it was broken  
But my dream it lingered near  
In the form of shining valleys  
Where the pure air recognised  
And my senses newly opened  
I awakened to the cry

[Pré-Refrão]

That the people have the power  
To redeem the work of fools  
Upon the meek the graces shower  
It's decreed, the people rule

[Refrão]

People have the power  
People have the power  
People have the power  
People have the power  
( D G D G )

[Segunda Parte]

Vengeful aspects became suspect  
And bending low as if to hear  
And the armies ceased advancing  
Because the people had their ear  
And the shepherds and the soldiers  
Lay beneath among the stars  
Exchanging visions and laying arms  
To waste in the dust

[Pré-Refrão]

In the form of shining valleys  
Where the pure air recognised  
And my senses newly opened  
I awakened to the cry

[Refrão]

[Terceira Parte]

Where there were deserts I saw fountains  
Like cream the waters rise  
And we strolled there together  
With none to laugh or criticise  
And the leopard and the lamb  
Lay together truly bound  
I was hoping in my hoping  
To recall what I had found

[Pré-Refrão]

I was dreaming in my dreaming  
God knows a purer view  
As I lay down to my sleeping  
I commit my dream to you

[Refrão]

People have the power  
People have the power  
People have the power  
People have the power

The power to dream, to rule  
To wrestle the world from fools  
It's decreed, the people rule  
It's decreed, the people rule

Listen, I believe everything we dream  
Can come to pass through our union  
We can turn the world around  
We can turn the earth's revolution

People have the power  
People have the power  
People have the power  
People have the power

The power to dream, to rule

Em  
To wrestle the world from fools
