I was ^Ddreaming in my ^Gdreaming
 Of an ^Daspect bright and ^Gfair
 And my ^Dsleeping, it was ^Gbroken
 But my ^Ddream it lingered near
 In the ^Dform of shining ^Gvalleys
 Where the ^Dpure air recognised
 And my ^Dsenses newly ^Gopened
 I ^Dawakened to the ^Gcry

[Pré-Refrão]

That the ^{Gbm}people have the ^Gpower
 To ^Dredeem the work of ^{Em}fools
 Upon the ^{Gbm}meeek the ^Ggraces ^Ashower

Vengeful ^Daspects became ^Gsuspect
 And ^Dbending low as if to ^Ghear
 And the ^Darmies ceased ^Gadvancing
 Because the ^Dpeople had their ^Gear
 And the ^Dshepherds and the ^Gsoldiers
 Lay ^Dbeneath among the ^Gstars
 Exchanging ^Dvisions and ^Glaying arms
 To ^Dwaste in the ^Gdust

[Pré-Refrão]

In the ^{Gbm}form of shining ^Gvalleys
 Where the ^Dpure air ^{Em}recognised

Where there ^Dwere deserts I ^Gsaw fountains
 Like ^Dcream the waters ^Grise
 And we ^Dstrolled there ^Gtogether
 With ^Dnone to laugh or ^Gcriticise
 And the ^Dleopard and the ^Glamb
 Lay ^Dtogether truly ^Gbound
 I was ^Dhoping in my ^Ghoping
 To ^Drecall what I had ^Gfound

[Pré-Refrão]

I was ^{Gbm}dreaming in my ^Gdreaming
 God ^Dknows a ^{Em}purer view
 As I ^{Gbm}lay down to my ^Gsleeping
