

# Pau Com Arame - Palhaço

Tom: **A**

Olha criança! Estamos cantando

Ganhando a vida nas praças e ruas

Eu sou o palhaço Que sonha em ir pro circo

Não fiz concurso, mas tenho discurso

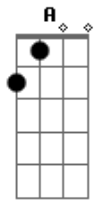

Eu sinto um vazio

Quando estou na escola

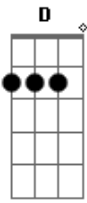

Será que essa escola <sup>Gbm</sup>  
 Escola a gente? O que é vencer?  
 ( **A** **Db** **D** **E** )

**A**  
 Hoje em dia os valores mudaram  
 O rei nos distrai entristecem o povo  
 Por que poderosos adoecem a gente?  
 Cientistas e médicos eram semideuses!
