It was written that I would love you

From the moment I opened my eyes

And the morning when I first saw you

Gave me life under calico skies

I will hold you

For as long as you like

I will hold you

For the rest of my life

Always looking for ways to love you

Never failing to fight at your side

While the angels of love protect us

From the innermost secrets we hide

I will hold you

For as long as you like

I will hold you

For the rest of my life

Always looking for ways to love you

Never failing to fight at your side

While the angels of love protect us

From the innermost secrets we hide

I will hold you

For as long as you like

I will love you

For the rest of my life

For the rest of my life

For the rest of my life

For the rest of my life

For the rest of my life
