

Paul McCartney - Calico Skies

tom:

D

It was written that I would love you
 From the moment I opened my eyes
 And the morning when I first saw you
 Gave me life under calico skies

I will hold you
 For as long as you like

I'll hold you

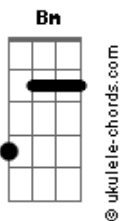

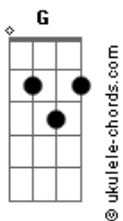

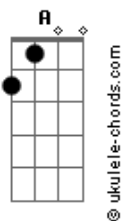

For the rest of my life

D A D G
 D A G D

Always looking for ways to love you
 Never failing to fight at your side
 While the angels of love protect us
 From the innermost secrets we hide

I will hold you
 For as long as you like

Acordes

I'll hold you

For the rest of my life

Long live all of us crazy soldiers
 Who were born under calico skies
 May we never be called to handle
 All the weapons of war we despise

I will hold you

For as long as you like

I'll hold you

For the rest of my life

I will hold you

For as long as you like

I'll love you

For the rest of my
 For the rest of my life
