Paul McCartney - Daytime Nightime Suffering

```
C [tacet]
                                   F G F
                                                                                            F C
What does she get for all the love she gave you
                                                              What does it pay to play the leading lady
There on the ladder of regrets
                                                              When like the damsel in distress
    Am
                                                              G Bb F Bb F C
                                                                                     Am7 Dm7
                       Bb
                                                               Daytime nighttime suffering is all she gets
Mighty river, give her all she gets
Bb F Bb F
                                                              No less, no more
               G
                               F
                                    C
                                       F
                                                                         C7M
                                                                 C
What does she get for all the love she gave you
                                                              No sea, no shore
             G
                          F
                                                                  F
There on the ladder of regrets
                                                              No sand, no pail
G Bb F Bb F C
                        Am7 Dm7
                                                                  D
 Daytime nighttime suffering is all she gets
                                                              No fairy tale anymore
Where are the prizes for the games she entered
                                                              Come on river, flow through me
With little chance of much success
                                                              Don't be stopped by insanity
Daytime nighttime suffering is all she gets
                                                              Come on river, overflow
                                                              Let your love for your neighbours grow
You are the river, I am the stream
              Cm
        Gm
Come on river, overflow
                                                              Flow mighty river through me
         Gm
Let your love for your people show
                                                              INSTRUMENTAL VERSE
       Cm
Gm Fm
                Fm
 Come on river, flow through me
                                                              Daytime nighttime suffering is all she gets
          Cm
                        Db
                                                              Daytime nighttime suffering is all she gets
Let your love for your people be
                                                              Daytime nighttime suffering is all she gets
         Cm Gm
   G
                             Cm
You are the river, I am the stream
                                                                                             F Fm
                                                              What does she get for all the love she gave you
