

Paul McCartney - Deliver Your Children

Tom: C

(com acordes na forma de G)
Capostraste na 5ª casa

Well, the rain was a-falling and the ground turned to mud
I was watching all the people running from the flood
So I started to prayin' though I ain't no prayin' man
for the Lord to come a helpin' knowing he'd understand.

Deliver your children to the good good life
give 'em peace and shelter and a fork and knife
shine a light in the morning and a light at night
and if a thing goes wrong you'd better make it right.

Well, I had me a woman, she was good and clean
she spent all day with the washing machine
but when it came to lovin' she was never around
she was out getting dirty --- all over town.

Deliver your children to the good good life
give 'em peace and shelter and a fork and knife
shine a light in the morning and a light at night

and if a thing goes wrong you'd better make it right.

Well, I was low on money and my truck broke down
I was on my way to the lost and found
so I took it to a dealer, I said make it run
well, I ain't got no money, but I got me a gun.

I said you robbed me before so I'm robbing you back
and if it don't put you straight it'll put you on the right track
well, I ain't no devil and I ain't no saint
but I can tell a dealer by the color of his paint.

Deliver your children to the good good life
give 'em peace and shelter and a fork and knife
shine a light in the morning and a light at night
and if a thing goes wrong you'd better make it right.

If you want good eggs you gotta feed that hen
and if you wanna hear some more
well, I'll sing it again.
