 Don't be careless love
F **Em** **A**
 Don't be careless love
 The lamp burns down and out
 I'm getting pretty tired of this
 I feel so bad, something must be going amiss
 I won't be there so look out for yourself
 You're getting in deep whatever you do
 Don't let me go back to sleep
 Don't be careless love
 Don't be careless love
 Don't be, don't be careless love
 Saw your face in the morning paper
 Saw your body rolled up in a rug
 Chopped up into two little pieces
 By some thug
 Don't be careless love, be careless love
 But in the morning light
 When I wake up again, you're by my side
 And that's the way it's always been
 But in the dark your mind plays funny tricks on you
A **D**
 Your mind plays funny tricks on you
A **Dbm**
 Your mind plays funny tricks on you
C **Bm** **Bb** **Gm** **D**
 Don't be careless love
