

# Paul McCartney - End Of The End

Tom: F  
Intro: A

Refrão -----

At the end of the end  
It's the start of a journey  
To a much better place  
And this wasn't bad  
So a much better place  
Would have to be special

Verse 1:  
On the day that i die  
I'd like jokes to be told  
And stories of old  
To be rolled out like carpets  
That children have played on  
And laid on while listening  
To stories of old.

At the end of the end  
It's the start of a journey

To a much better place  
And a much better place  
Would have to be special

Whistling part: same as Chorus 1

Verse 2:  
On the day that i die  
I'd like bells to be rung  
And song that were sung  
To be hung out like blankets  
That lovers have played on  
And laid on while listening  
To songs that were sung.

Refrão -----  
At the end of the end  
It's the start of a journey  
to a much better place  
and a much better place  
would have to be special  
no reason to cry  
no need to be sad.
