There is a fine line...between reklesness and courage.
 Is about time, you understand which road to take.
 It's a fine line.. your decision makes the difference,
 Get it wrong, you'll be making a big mistake..

(Bridge)

D C'mon brother,,all is forgiven we all cried,
 when you where driven away,
 D C'mon brother, everything is better, everything...
 is better when you come home to stay.

(eeeeeeeeeee).....

(middle) Whatever is more important to you,
 You got to choose what you want to do.
 whatever is more important to be,
 That's the wiew that you got to see.
 There is a long way between chaos and creation.
 if you don't say, which one its gonna be, your gonna
 choose choose.
 It's a long way , and in every congrigation
 seems to say.. it's a game . that your bound to lose.
 D C'mon brother all is forgiven..we all cried
 when you where driven away, C'mon brother
 everything is better ... everything is better...
 when you c'mon to stay...(eeeeeeeeeeeHH)
