

Paul McCartney - Great Day

Tom: D

Released on 12th May 1997.

Tabbed by:PJVillanueva

When you're wide awake
Say it for goodness sake
It's gonna be a great day.

While you're standing there
Get up and grab a chair,
It's gonna be a great day.

And it won't be long, oh no
It won't be long, it won't be long, no no
It won't be long, it won't be long, oh no
It won't be long, it won't be long, ooh yeah

Ooooooh, ooooooh wooooooh yeah
Gonna be a great day

And it won't be long, oh no
It won't be long, it won't be long, no no
It won't be long, it won't be long, oh no
It won't be long, it won't be long, oh

When you're wide awake
Say it for goodness sake,
It's gonna be a great day.
While you're standing there
Get up and grab a chair
