

Paul McCartney - Hey Jude

Tom: F

Hey Jude dont make it bad
 take a sad song and make it better
 Remember to let her into your heart
 and then you can start to make it better

Hey Jude dont be afraid
 you were made to go out and get her
 The minute you let her under your skin
 then you begin to make it better

And anytime you feel the pain hey jude refrain
 dont carry the world upon your shoulders
 For well you know that its a fool who plays it cool

by making his world a little colder

Hey Jude dont let me down
 You have found her now go and get her
 Remember to let her into you heart
 then you can start to make it better

So let it out and let it in hey Jude begin
 your waiting for someone to perform with
 And dont you know that its just you hey jude you'll do
 The movement you need is on your shoulders

Hey Jude dont make it bad
 take a sad song and make it better
 Remember to let her under your skin
 and then you'll begin to make it better

Na na na na na na na
 Na na na na
 Hey Jude
