

Paul McCartney - Home Tonight

tom:
D
I'm taking you home tonight
I want to make sure that you're alright
Looks like a cold, cold wind that's blowing in
I'm taking you home tonight
E Gbm
Like a train that's left the tracks
E A
The world is falling apart
E Gbm
I'd gladly help to put it back
D E
But tell me where to start
D E
I'm taking you home (yeah!) tonight
I want to make sure that you're alright
Well, the coat you're wearing's way too thin
I'm taking you home tonight
E Gbm
I read the bad news everyday
E A
It's getting harder to cry
E Gbm
Sometimes I'd like to look away
D E NC
But I can't close my eyes
D E
I'm taking you home (yeah!) tonight
I want to make sure that you're alright
Gotta notify my next of kin
I'm taking you home tonight
D A
Say yes tonight
D A
Say yes if my suggestion is right

D A
Say yes to me
D E
And that's the way you want it to be
D E
I'm taking you home tonight
I want to make sure that you're alright
Looks like a cold, cold wind that's blowing in
I'm taking you home tonight
E Gbm
Well, life goes by at such a pace
E A
The troubles seem to increase
E Gbm
I know that we can find a place
D E
Where we can get some peace
D E
I'm taking you home tonight
I want to make sure that you're alright
Looks like a cold, cold wind that's blowing in
I'm taking you home tonight
D A
Say yes tonight
D A
Say yes if my suggestion is right
D A
Say yes to me
D E
And that's the way you want it to be
D E
Well, I'm taking you home (home!) tonight
I want to make sure that you're alright
They say a cold, cold wind is blowing in
The coat you're wearing's way too thin
D E
Notify my next of kin
Gbm D A
I'm taking you home tonight
