```
G         Am
How many people
G         Am
Stand in a line
G         Am
How many people
Bm                        E   E
Never get a chance to shine
Am         Bm        Am  Bm  C  D   G
If you can tell me I'll gladly listen
           F        G   G7
How many people have died

C                        G
```
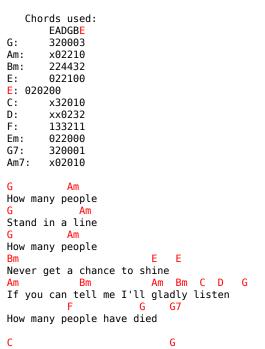

```
One too many right now for me
                Am7               G    G7
I want to be happy, I want to be free
C                         G
One too many right now for me
                Am7 G  F      Em      D
I want to see ordinary people living peacefully

How many people
Go for a ride
How many people
Never make it through to the other side
If you can tell me I'll gladly listen
How many people have cried

One too many right now for me
I want to be happy, I want to be free
One too many right now for me
I want to see ordinary people living peacefully

G        Am   G       Am
How many people will it take
G        Am        G        Am
How many people for goodness' sake
How many people, how many people

One too many right now for me
I want to be happy, I want to be free
One too many right now for me
I want to see ordinary people living peacefully
