

Paul McCartney - Long Haired Lady

Tom: G

^G
Well, well, well, well, well.

^C Do you love me like you know you ought to do?

^G
Well, well, well, well, well.

^C Or is this the only thing you want me for?

^{D7} Well, I've been meaning to talk to you about it for sometime,
^{C7} sweet little lass, you are my long haired lady.

^F Who's the lady that makes that brief occasional laughter?

^F She's the lady who we wears those flashing eyes.

^F Who'll be taking her home when all the dancing is over?

^F I'm the lucky man she will hypnotize.

^{Cm} ^{G7} ^{Cm} ^{G7}
Long haired lady, long haired lady.

Bells are buzzing about my sweet delectable baby,
birds are humming about their big surprise.
Who's your favorite person, dear phenomenal lady?
I belong to the girl with flashing eye.

Long haired lady, long haired lady.

^G Ah, love is long, love is long, love is long.

^G Ah, when you're wrong, love is long, love is long.

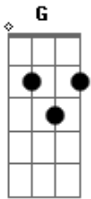

^G Ah, love is long, love is long, love is long.

^G Ah, when you're wrong, love is long, love is long.

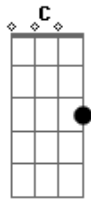

Well, Well, Well,...

Ah, love is long, love is long,...
