

Paul McCartney - Man We Was Lonely

Tom: C

Man, we was lonely,
 Yes, we was lonely
 And we was hard pressed to find a smile.
 Man, we was lonely,
 Yes, we was lonely,
 But now we're fine all the while.

I used to ride on my fast city line,
 Singing songs that I thought were mine alone, alone.
 Now, let me lie with my love for the time
 I am home, home, home.

Man, we was lonely,
 Yes, we was lonely,
 And we was hard pressed to find a smile.
 Man, we was lonely,
 Yes, we was lonely,
 But now we're fine all the while.

Now, let me lie with my love for the time
 I am home, home, home.

Man, we was lonely,
 Yes, we was lonely,
 And we was hard pressed to find a smile.
 Man, we was lonely,
 Yes, we was lonely,
 But now we're fine all the while,
 But now we're fine all the while,
 But now we're fine all the while.
