

# Paul McCartney - Motor Of Love

tom:  
Intro: D G D G

I can't get over your love  
No matter how hard life seems  
There's a light in my dreams  
Thanks to you

My friends keep asking me why  
There's such a smile on my face  
There's a home at my place  
Thanks to you

I don't want anything from you  
Turn on your motor of love

Motor of love, motor of love  
Heavenly father look down from above  
I can't get over your powerful  
Motor of love

I can't get over your love  
No matter how lost I feel  
I know my love is real  
Thanks to you

You simply reached out your hand

And touched me deep in my soul

I came in out of the cold  
Thanks to you

I won't steal anything from you  
You give me more than enough

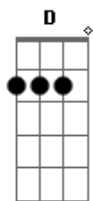

Motor of love, motor of love  
Heavenly father look down from above  
I can't get over your powerful  
Motor of love

There was a time  
When I was down and counted out  
Well I remember I felt so bad  
I nearly threw away

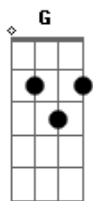

Nearly threw away the keys  
Motor of love, motor of love  
Heavenly father look down from above  
Motor of love, motor of love  
Heavenly father look down from above  
I can't get over your powerful  
Motor of love

[Final] D G7 D G7
