My brave, my brave, my brave face

I've been living in style

Unaccustomed as I am to the luxury life

I've been hitting the town and it didn't hit back

I've been doing the rounds

Unaccustomed as I am to the time on my hands

Now I don't have to tell anybody when I'm gonna get back

Ever since you went away I've had this sentimental inclination

Not to change a single thing

As I pull the sheet back on the bed I want to go bury my head
In your pillow

Now that I'm alone again, I can't stop breaking down again

The simplest things set me off again, and take me to that place

Where I can't find my brave face

Where I can't find my brave face

My brave, my brave, my brave face

My brave face

I've been living a lie

Unaccustomed as I am to the work of the housewife

I've been breaking up dirty dishes and throwing them away

Ever since you left I have been trying to compose

A 'Baby, will you please come home' note meant for you

As I clear away another untouched TV dinner from the table

I laid for two

Now that I'm alone again, I can't stop breaking down again

The simplest things set me off again, and take me to that place

Where I can't find my brave face

Where I can't find my brave face

My brave, my brave, my brave face

My brave face
