## Paul McCartney - My Very Good Friend The Milkman

```
Gm
                                                                                                        C7
                                                                  That they've been watching little things I do
                             tom:
                                                                                        Gm
                B
                                                                  Bb
                                                                                                C7
Intro: D Gm Bb C7 F
                                                                  And they perceive that I love you
                                                                   D Gm
                                                                                     Bb
                                                                                                  C7
                                                                                                        F
                                                                  So I suggest that you should marry me
                            D
My very good friend the milkman says
                                                                  (F D Gm C7)
Gm
                          C7
                                                                  (Bb Gm C7)
(D Gm Bb C7 F)
That I've been losing to much sleep
                    Gm
                          C7
Bb
He doesn't like the hours I keep
 D Gm
                  Bb
                                    C7 F
                                                                  F
                                                                                                 Ebm
                                                                         Ab
                                                                                                             Ab
And he suggests that you should marry me
                                                                 Then there's a very friendly fellow who prints
                                                                  Dh
                                                                  All the latest real estate news
                            D
My very good friend the mailman says
                                                                  Ab
                                                                                  Ebm
                                                                                               Ab
                                                                  And every day he sends me blueprints
                       C7
Gm
That it would make his burden less
                                                                 Db
                                                                                             C7
                                                                 Of cottages with country views
Bb
                  Gm
                           C7
If we both had the same address
 D Gm
