

Paul McCartney - Put it There

Tom: **D**

me a hand

your friend

I'd like to shake it

I want to show you I'm

you'll understand

can make it clear

it's all that matters in the end

there

Give to his youngest

if it weights a ton

son as long as

I don't care

if it weights a ton

you and I here

you and I here

put it there

put it there

as long as

Acordes
