

Paul McCartney - Put it There

Tom: D

me a hand

your friend

can make it clear

it's all that matters in the end

there

Give to his youngest

if it weights a ton

that's what a father said

son as long as

I don't care if it weights a ton

if I you and I here put it there as long as

you'll understand

you and I here

put it there

put it there

Acordes
