

Paul McCartney - Ram On

Tom: D

Ram on, give your heart to somebody,
 Soon, right away, right away.
 Ram on, give your heart to somebody,
 Soon, right away, right away.

The song begins with Paul brushing the ivories in a casual way, which is very difficult to place in time and it may also prove difficult to play on a guitar, but I've tried to give an idea about the chords he was using just in case anyone wants to play the whole number.
