

Paul McCartney - Simple As That

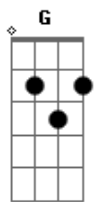

Tom: A
 (com acordes na forma de Capostrate na 2ª casa)
 I know it isn't easy to confuse
 A lot of thought to flying thought your head
 Tell me is this the boy I have to choose
 Would you rather be alive or dead?
 Simple as that, simple as that
 Would you rather be alive or dead?
 Simple as that, simple as that
 It's simple I made you wanna cry
 And I ask you if you wanna join in
 Linger for a minute or so
 Begin or you're gonna say yes or no
 Simple as that, simple as that
 You're gonna say yes or no, simple as that
 It's so simple it makes you wanna cry
 And if you love your life
 Everybody will love you too
 It's harder when you start to get around
 I want you to remember what I said
 I know you never like to let them down
 Would you rather be alive or dead?

It's a simple as that, simple as that
 Would you rather be alive or dead?
 It's a simple as that, simple that
 Would you rather be alive or dead?
 It's a simple as that, simple that
 It's so simple It makes you wanna cry
 It's so simple to makes you wanna cry
 Yes if you love your life
 Everybody will love you too
 And if you love your life
 Everybody will love you too
 Would you rather be alive or dead?
 Would you rather be alive or dead?
 Simple as that, It's as simple as that
 It's as simple as that, It's as simple as that
 And if you love your life
 Everybody will love you too
 Yes if you love your life
 Everybody will love you too
 And if you love, and id you love
 Would you rather be live or dead
 Simple as that, simple as that
