

Paul McCartney - Somebody Who Cares

Tom: C

When your body is coming
 apart at the seams
 and the whole thing's feeling low,
 you're convincing yourself
 that there's nobody there, I know,
 I know how you feel.

Like somebody has taken
 the wheels of your car,
 when you had somewhere to go,
 well it's annoying
 not going to get very far.
 I know, but somebody cares.

There's always someone,
 somewhere you should know by now.
 Always somebody who cares
 it's happening day in, day out

well you know by now
 always somebody who cares.
 If you don't know it, how will it find you?
 How will we know your whereabouts?

[Em7 Dm7 Em7 F]
 But I know how you feel.

Inter: with chords of the first part.

I know how you feel.

Like somebody has taken
 the wheels of your car,
 when you had somewhere to go,
 well it's frustrating
 not going to get very far.
 I know, but somebody cares.

There's always someone,...

[Em7 Dm7 Em7 F]

I know how you feel.
