I feel such ^Csorrow, I feel such ^Fshame ^C
 I know I won't arrive on time
 Before whatever out there is gone
 What can I do, that day is done

It's just a promise that I made
 I said I'd walk in her parade
 Hot scalding tears I thought would flow
 Still in my heart they'll never show

That day is done, that day is done
 You know where I've gone
 I won't be coming back

^E That day is done ^{Bb}

Well I recall the time and place
 When they announced her precious face
 I thought at once my heart would burst
 Still every time is like the first

There was applause when she stepped up
 I wished that I could interrupt
 I made no sign, I made no sound
 I know I must stay underground

That day is done, that day is done
 You know where I've gone
 I won't be coming back

^E That day is done ^{Bb} ^{Eb} ^{Bb} ^C

That's why she walks, or so they say
 She always knew just what I needed
 Now if she would, just look my way
 One time before they proceed

She sprinkles flowers in the dirt
 That's when a thrill becomes a hurt
 I know I'll never see her face
 She walks away from my resting place

That day is done, that day is done
 You know where I've gone
 I won't be coming back
 That day is done
