

Paul McCartney - The Kiss Of Venus

tom:

[Primeira Parte]

E A
The kiss of Venus has got me on the go
E Bm A
She's scored a bullseye in the early morning glow
E
Early morning glow

[Pré-Refrão]

E A
Packed with illusions, our world is turned around
E Bm A
This golden circle has a most harmonic sound
E
Harmonic sound

[Refrão]

Am E
And in the sunshine where we stand alone
Am Dbm
We came together with our secrets blown
B
Our secrets blown

[Riff 1]

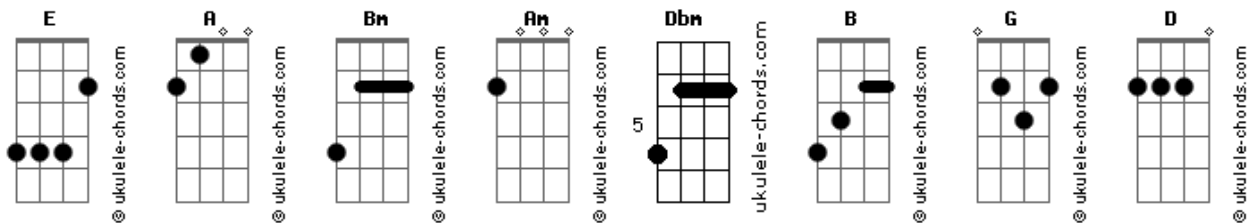

[Segunda Parte]

E A
Now moving slowly, we circle through the square
E Bm
Two passing planets in the sweet, sweet summer air
A E
Sweet summer air

[Refrão]

Am E
And in the sunshine where we stand alone
Am Dbm
We came together with our secrets blown
B
Our secrets blown

Acordes

[Riff 2]

[Ponte]

G D
Reflected mountains in the lake
Am
Is this too much to take?
E
Asleep or wide awake?
G D
And if the world begins to shake
Am
Would something have to break?
E
We have to stay awake

[Pré-Refrão]
