

Paul McCartney - The Kiss Of Venus

tom:

E

[Primeira Parte]

^E The kiss of Venus has got me on the go
^E She's scored a bullseye in the early morning glow
^E Early morning glow

[Pré-Refrão]

^E Packed with illusions, our world is turned around
^E This golden circle has a most harmonic sound
^E Harmonic sound

[Refrão]

^{Am} And in the sunshine where we stand alone
^{Am} We came together with our secrets blown
^B Our secrets blown

[Riff 1]

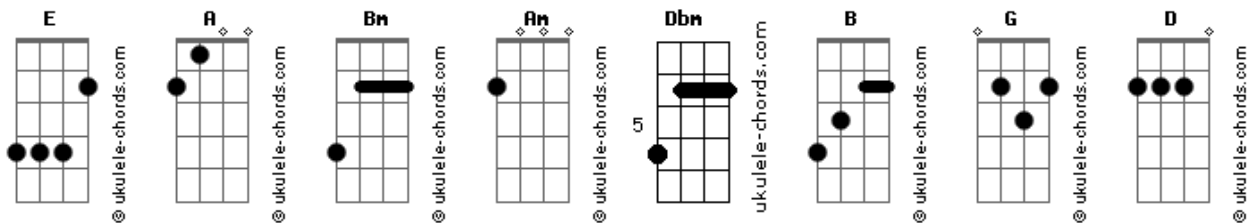

[Segunda Parte]

^E Now moving slowly, we circle through the square
^E Two passing planets in the sweet, sweet summer air
^A Sweet summer air

[Refrão]

^{Am} And in the sunshine where we stand alone
^{Am} We came together with our secrets blown
^B Our secrets blown

Acordes

[Riff 2]

[Ponte]

^G Reflected mountains in the lake
^{Am} Is this too much to take?
^E Asleep or wide awake?
^G And if the world begins to shake
^{Am} Would something have to break?
^E We have to stay awake

[Pré-Refrão]

^E Packed with illusions, our world is turned around
^E This golden circle has a most harmonic sound
^E Harmonic sound

[Refrão]

^{Am} And in the sunshine where we stand alone
^{Am} We came together with our secrets blown
^B Our secrets blown

[Riff 1]

(G D Am E)
 (G D Am E)

[Terceira Parte]

^E The kiss of Venus has got me on the go
^E She's scored a bullseye in the early morning glow
^E Early morning glow
^A The kiss of Venus has got me on the go
