

Paul McCartney - The World Tonight

Tom: **C**

Am
I saw you sitting at the center of a circle
C **D**
Everybody, everybody wanted something from you
Am [RIF **F** 1]
I saw you sitting there

I saw you swaying to the rhythm of your music
Caught you plating, caught you praying to the voice inside you
I saw you swaying there

Em **Am**
I don't care what you want to be
Em **Am**
I go back so far, I'm in front of me
Em **Am**
It doesn't matter what they say
Em **G** [RIF **F** 2]
They're giving the game away hey hey

Am [RIF **F** 2]
I can see the world tonight
[RIF **F** 2]
Look into the future
[RIF **F** 2]
See it in a different light
Em **Am** [RIF **F** 3]
I can see the world tonight

I heard you listening to a secret conversation
You were crying, you were trying not to let them hear you
I heard you listening in

Never mind what they want to do
You've got a right to your point of view
It doesn't matter what they say
They're giving the game away hey hey

I can see the world tonight
Look into the future
See it in a different light
I can see the world tonight

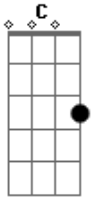

INTERLUDE: **F G F Am F G**

I saw you hiding from a flock of paparazzi
You were hoping, you were hoping
That the ground would swallow you
I saw you hiding there

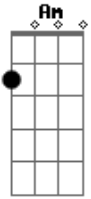

I don't care what you want to be
I go back so far, I'm in front of me
It doesn't matter what they say
They're giving the game away hey hey

I can see the world tonight
Look into the future
See it in a different light
I can see the world tonight
