

Paul McCartney - This One

Tom: D

Did I ever take you in my arms
 Look you in the eye, tell you that I do
 Did I ever open up my heart
 And let you look inside

If I never did it, I was only waiting
 For a better moment that didn't come
 There never could be a better moment
 Than this one, this one

The swan is gliding above the ocean
 A god is riding upon his back
 How calm the water and bright the rainbow
 Fade this one to black

Did I ever touch you on the cheek
 Say that you were mine, thank you for the smile
 Did I ever knock upon your door
 And try to get inside

If I never did it, I was only waiting
 For a better moment that didn't come
 There never could be a better moment
 Than this one, this one

The swan is gliding above the ocean
 A god is riding upon his back
 How calm the water and bright the rainbow
 Fade this one to black

What opportunities did we allow to flow by
 Feeling like the timing wasn't quite right
 What kind of magic might have worked if we had stayed calm
 Couldn't I have given you a better life...
 better life...

Did you ever take me in your arms
 Look me in the eye, tell me that you do
 Did I ever open up my heart
 Let you look inside

If I never did it, I was only waiting
 For a better moment that didn't come
 There never could be a better moment
 Than this one, this one

The swan is gliding above the ocean
 A god is riding upon his back
 How calm the water and bright the rainbow
 Fade this one to black
