

Paul McCartney - Treat her gently - Lonely old people

Tom: D

Treat her gently

Treat her kind

She doesn't even know her own mind

Treat her simply

Take it slow

Make it easy

And let her know

You'll never find another way

Here we sit

Two lonely old people

Eaking our lives away

Bit by bit

Two lonely old people

Keeping the time of day

Here we sit

Out of breath

And nobody asked us to play

-- old people's home for the DAY --

Nobody asked us to play

A

So Treat her gently

Treat her kind

She doesn't even know her own mind

Treat her simply

Make it slow

Take it easy

And let her know

You'll never find another way

D Gbm

Here we sit

Two lonely old people

Eaking our lives away

Bit by bit

Two lonely old people

Keeping the time of day

Here we sit

Out of breath

And nobody asked us to play

-- old people's home for the DAY --

Nobody asked us to play
