Going fast, coming soon
 We made love in the afternoon
 Found a flat, after that we got married
 Working hard for the dream
 Scoring goals for the other team
 Times were bad, we were glad we got married
 Like the way you open up your hearts to each other

When you find a meeting of the minds
 Just as well love was all we ever wanted
 It was all we ever had
 Further on in the game
 Waiting up till the children came
 Place your bets, no regrets, we got married
 We got married
 We got married

Nowadays every night
 Flashes by at the speed of light
 Living life, loving wife, we got married

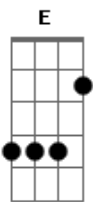

I love the things that happen when we start to discover
 Who we are and what we are living for
 Just because love was all we ever wanted
 It was all we ever had

It's not just a loving machine
 It doesn't work out if you don't work at it
