

# Paul McCartney - What It Is

Tom: G

<sup>G7</sup> You are what it is that makes the world go around for me <sup>D7</sup>  
<sup>G7</sup> You are what I need, you make me feel good about myself <sup>D7</sup>

<sup>C</sup> You see I love you so much I could never do without your touch <sup>G</sup>  
<sup>G</sup> I'm like a busy honey bee <sup>D</sup>  
<sup>Db C</sup> I'm always hungry for it, how can anyone ignore it <sup>G</sup>  
<sup>C</sup> Surely everybody will agree <sup>D</sup>

That you are what it is that makes the cloud roll  
 Around the sky  
 Oh yeah you got what it takes, you make me proud to be who I  
 am

You see I love you so much I could never do without your touch  
 I'm like a busy honey bee  
 I'm always hungry for it, how can anyone ignore it  
 Surely everybody must agree

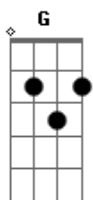

That you are what it is that makes the world go around for me  
 Yeah you got what I need to make me feel good about myself

You see I love you so much I could never do without your touch  
 I'm like a busy honey bee  
 I'm always hungry for it, how can anyone ignore it  
 Surely everybody must agree

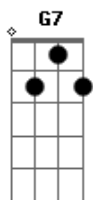

<sup>G7</sup> That you are what it is that makes the world go around for me <sup>D7</sup>  
<sup>D7</sup> You make the world go around for me <sup>G</sup>

<sup>D7</sup> Yeah you make the world go around, world go around  
<sup>G</sup> World go around for me, you're what it is
