

Paul McCartney - You Want Her Too

Tom: C

She makes me go so wrong,
 (Yeah, you kept me awake you know you did).
 I've loved her oh so long,
 (So why don't you come right out and say it, stupid?).
 She makes me do things I don't want to do,
 I don't know why I should be telling you.
 I know that you want her too.

My intentions are quite sincere
 (That's not what you said the other night).
 And all you can do is sneer,

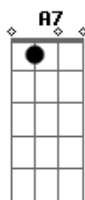

(Go ahead and kid yourself you're right).

She makes me do things...
 I've got a better chance than you do,
 I know that you want her too,
 you're such a hopeless romantic.
 She told me you're so predictable and nice.
 She only did you a favour once or twice, once or twice.
 She makes me go so...
 She makes me do things...
 I know that you want her too.
 I know that you want her too.
