

Paul McCartney - Your Loving Flame

```
tom:
               Eb (forma dos acordes no tom de D )
                                                             'Cos when we kiss, nothing feels the same
Capostraste na 1ª casa
                                                             I could spend eternity
          D
               G D
                                                            Inside your loving flame
How can I hope to reach your love
Help me to discover
                                                            What am I to do
What it is you're thinking of
                                                            G7
                                                            If I don't have you
    G
                D
'Cos when we kiss, nothing feels the same
                                                            I'll be feeling blue
I could spend eternity
                                                            Just sitting here without you
Inside your loving flame
                                                            You could be the one
                                                                                  G G7 G G7
                                                             To chase my blues away, away
What am I to do
If I don't have you
                                                            'Cos when we kiss, nothing feels the same
I'll be feeling blue
                                                            I could spend eternity
                                                            Inside your loving flame
Just sitting here without you
You could be the one
                            G7 G G7
                                                            So tell me how, how to reach your love
              D
To chase my blues away, away
                                                            Help me to discover
[Solo] D G D G
    C Bm A A A
                                                             What it is you're thinking of
                                                            D G D
                                                            How can I hope to reach your love
So tell me how, how to reach your love
                                                            Here forever in your loving flame
Help me to discover
