

# Paul Simon - The Sound Of Silence

Tom: G

Em D  
Hello darkness, my old friend,  
Em D Em D  
I've come to talk with you again,  
C G  
Because a vision softly creeping,  
Em C G  
Left its seeds while I was sleeping,  
C G Em  
And the visions that was planted in my brain, still remains  
D Em  
Within the sound of silence  
D  
In restless dreams I walked alone  
Em  
Narrow streets of cobblestone,  
C G  
'Neath the halo of a street lamp,  
Em C G  
I turned my collar to the cold and damp  
C G  
When my eyes were stabbed by the flash of the neon light  
Em  
That split the night  
D Em  
And touched the sound of silence  
D  
And in the naked light I saw  
Em  
Ten thousand people, maybe more  
C G  
People talking without speaking,  
Em C G  
People hearing without listening,  
C G  
People writing songs that voices never share

Em  
And no one dare  
D Em  
Disturb the sound of silence  
D  
"Fools" said I, "You do not know  
Em  
Silence like a cancer grows  
C G  
Hear my words that I might teach you,  
Em C G  
Take my arms that I might reach you"  
C G Em  
But my words like silent raidrops fell,  
G  
And echoed  
D Em  
In the walls of silence  
D  
And the people bowed and prayed  
Em  
To the neon god they made  
C G  
And the sing flashed out is warning,  
Em C G  
In the words that is was forming  
And the sign said  
C  
"The words of the prophets  
G  
Are written on the subway walls  
Em  
And tenement halls  
G D Em  
And whispered in the sound of silence.  
O da música é Ebm.
