

Paul Stanley - Loving You Without You Now

tom:
Capostrate na 1ª casa
Dm (forma dos acordes no tom de Dbm)

I want you to know
That I'm thinkin' about you now
Time passes so slow
I remember goodbye and the tears in your eyes, but...
Who's to say why we stay with another?
Counting days until we're holding each other
I can hear your voice inside my head still ringing my ears
I can close my eyes and feel you beside me
Well, I hope and pray to find a way to hold you somehow
I'm just loving you without you now

I want you to know
That your face is all I can see
And now my feelings still grow
You and I can't deny what we're feeling
We'll get by on all these moments we're stealing
I can hear your voice inside my head still ringing my ears
I can close my eyes and feel you beside me
Well, I hope and pray to find a way to hold you somehow

I'm just loving you without you now

It's all that I can do
Loving you without you now
I'll find my way to you
Loving without you
Loving without you, yeah!

[Solo]
D G Em A
D G Em A
D G Bm Em

Oh, we get by on these moments together
Holding on until we find out forever
I want you to know
That I'm thinking about you
I can hear your voice inside my head still ringing my ears
I can close my eyes and feel you beside me
Well, I hope and pray to find a way to hold you somehow
I'm just loving you without you now, oooh
I can hear your voice inside my head still ringing my ears
I can close my eyes and feel you beside me
Well, I hope and pray to find a way to hold you somehow
I'm just loving you without you now
And I'm gonna get to you somehow
