Intro: Dm Am E Am ' 12x

Dm Am E Am Dm
God has placed a watchman on your walls oh Jerusalem
They will not be silent day or night
Of the Lord they make constant mention
They will give no sleep to their eyes
Until God establishes grace
There will be no peace in their nights
Until the Lord makes Jerusalem a praise
He has sworn it by His strength

There's the sound of a freedom shout
Rising up from under your feet
