

Paula Fernandes feat- Eric Silver - Firebird (Passaro de Fogo)

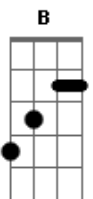

Tom: D

Intro: E A E A

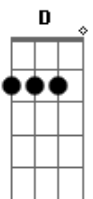

Would you give yourself to me
 Like it was the first time
 Go crazy with my touch
 Feel the heat of love
 Stay right here with me
 I'm a firebird of passion
 That's singing in your ear
 I want you to be my baby
 Let ourselves go crazy
 Let go of our fears
 A soul that's traveled so far
 An independent heart
 Is now falling for you
 I want to be your secret
 Take your peace and keep it
 Be more than you've ever needed
 No don't tell me no, don't deny yourself
 A new chance at love, a new passion
 Tell me
 So far from the earth
 I'll be your feet
 Straight to your heart on the wings of a dream
 Feel what you feel, fall into me
 Ride with my body, eternally
 Vai se entregar pra mim,

Como a primeira vez
 Vai delirar de amor
 Sentir o meu calor
 Vai me pertencer
 Sou pássaro de fogo
 Que canta ao teu ouvido
 Vou ganhar esse jogo
 Te amando feito um louco
 Quero teu amor bandido
 Minh'alma viajante
 Coração independente
 Por você corre perigo
 To afim de seus segredos de tirar o seu sossego
 Ser bem mais que um amigo
 Não diga que não
 Não negue a você
 Um novo amor
 Uma nova paixão
 Diz pra mim
 Tão longe do chão
 Serei os seus pés nas asas do sonho rumo ao teu coração
 Permita sentir
 Se entrega pra mim
 Cavalga em meu corpo ô minha eterna paixão
 MUDANÇA PARA MI (E)
 Sou pássaro de fogo?.
 firebird of passion
 A firebird of passion lalala
