

# Paula Fernandes - Fallen

Tom: D

(acordes na forma do tom C )  
 Capotraste na 2ª casa  
 (capo 2ª casa)

(intro) Am

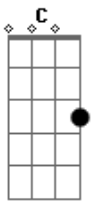

Am  
 Heaven bent to take my hand  
 And lead me through the fire  
 Be the long awaited answer  
 To a long and painful fight  
 Truth be told I've tried my best  
 But somewhere along the way  
 I got caught up in all there was to offer  
 And the cost was so much more than I could bear  
 Though I've tried, I've fallen...  
 I have sunk so low  
 I have messed up  
 Better I should know  
 So don't come round here  
 And tell me I told you so...  
 Am  
 We all begin with good intent  
 Love was raw and young

G Am  
 We believed that we could change ourselves  
 The past could be undone  
 Am  
 But we carry on our backs the burden  
 Time always reveals  
 G Am  
 The lonely light of morning  
 D F  
 The wound that would not heal  
 Dm F C  
 It's the bitter taste of losing everything  
 Dm C G  
 That I have held so dear I fallen? tell me I told you so...  
 C G F E E7  
 No oh oh oh  
 (refrão)  
 Am  
 Heaven bent to take my hand  
 At Nowhere left to turn  
 G Am  
 I'm lost to those I thought were friends  
 To everyone I know  
 Oh they turned their heads embarrassed  
 Pretend that they don't see  
 But it's one missed step  
 Em F  
 You'll slip before you know it  
 Am Em F  
 And there doesn't seem a way to be redeemed  
 (refrão)
