

Paula Fernandes - Iris

Tom: A

Intro: 2x: Gbm Gbm D D D

And I'd give up forever to touch you
 'Cause I know that you feel me somehow
 You are the closest to heaven that I'll ever be
 And I don't want to go home right now

And all I can taste is this moment
 And all I can breathe is your life
 And sooner or later it's over
 I just don't want to miss you tonight

(Refrão)
 And I don't want the world to see me

'Cause I don't think that they'd understand
 When everything's made to be broken
 I just want you to know who I am

And you can't fight the tears that ain't coming
 Or the moment of truth in your lies
 When everything feels like the movies
 Yeah you bleed just to know you're alive

Refrão:
 And I don't want the world to see me
 'Cause I don't think that they'd understand
 When everything's made to be broken
 I just want you to know who I am
