

# Paula Fuga - The Sun Will Rise

Tom: G

<sup>G</sup> So many times I try to get ahead in life

<sup>C</sup> But something always happens

<sup>G</sup> I'm back at where I began

<sup>C</sup> I get so tired of tryin' and

<sup>A</sup> I wanna know when it's gonna come

<sup>A</sup> Oh I want you to know where I'm coming from

<sup>A</sup> Through the dark I see the light

<sup>G</sup> And I know it'll be alright

<sup>A</sup> All I need is a little faith to get by

<sup>G</sup> I know you're with me where ever I may be

<sup>C</sup> I know you said you'd always be there

<sup>G</sup> Oh lord I need you now

<sup>C</sup> Upon my knees I pray

<sup>G</sup> I have a dream I'd like to share with you

<sup>C</sup> I've had the same one all my life

<sup>G</sup> So please believe in me

<sup>C</sup> Sometimes it gets so hard

<sup>G</sup> To keep believing in yourself oh but you must above all else

<sup>C</sup> You've got to hold your head up high

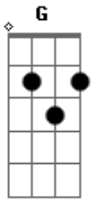

<sup>G</sup> Oh listen to me soon, soon the storm will subside

<sup>C</sup> And again at dawn the sun will rise

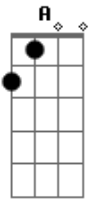

<sup>A</sup> Soon the storm will subside

<sup>A</sup> Again at dawn the sun will rise
