

# Paula Siqueira - If It Were Me

tom:

Intro: Eb Eb Eb Eb

Remembering has always been my weakness  
 I?m failing the test of getting through this  
 I?m trying to shake it and not let it grow  
 ?Cause I?ve been in here once before  
 But my ego?s tempted and trying to hold that door

?Cause you used to be mine and it?s hard to get over  
 Tell me how to let it go  
 ?Cause I can?t help but thinking  
 What it would be like  
 What it would feel like  
 If it were me

It?s crazy how it all feels so recent  
 It?s hazy the reason we?ve been distant  
 I?m not blind to memories, I know what went wrong  
 But right now it feels so new

It?s not satisfying to stand here just holding you

?Cause you used to be mine and it?s hard to get over  
 Tell me how to let it go  
 ?Cause I can?t help but thinking  
 What it would be like  
 What it would feel like  
 If it were me

It feels so nice that I can?t escape it  
 My woken nights are already taken  
 I know that I?m making a mistake but  
 I don?t care

?Cause you used to be mine and it?s hard to get over  
 Tell me how to let it go  
 ?Cause I can?t help but thinking  
 What it would be like  
 What it would feel like  
 If it were me
