

Paulinho Alma - Doce Tempestade

Tom: E

(com acordes na forma de D)

Capostrate na 2ª casa

Intro: D Gbm G D Em Gbm G A A A A D

Procurou-me

no meio da tempestade,

e me mostrou

o que era amar de verdade.

Trouxe paz, e mais -

feriu a dor.

Fez o olhar virar paixão

e a paixão se derreter de amor.

Doce tempestade?

fuga de Alcatraz,

brisa que acalma temporais?

"Unbreak my heart",

ma liberté.

Meu amor desperta e espera por você.

Encontrou-me

perdido pela cidade,

e me encantou

(desejo por castidade).

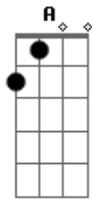

Esperou meu tempo

de esquecer

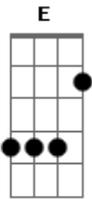

fez meu mundo, então, parar

e meu coração estremecer
