

Paulinho Moska - Quantas Vidas

Tom: E

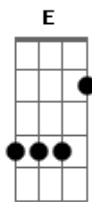

(intro)

Meu amor,
 Vamos falar sobre o passado depois,
 Porque o futuro está esperando,
 Por favor,
 Deixe meu último pedido pra trás,

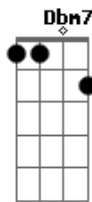

E não volte pra ele nunca,
 Nunca mais.

Porque ao longo destes meses,
 Em que eu estive sem você,
 Eu fiz de tudo pra tentar te esquecer.
 Eu já matei você mil vezes,
 E teu amor ainda me vem,
 Então me diga
 Quantas vidas você tem.
