

# Paulinho Moska - Quem Sabe Isto Quer Dizer Amor

tom:

Intro: F F F F  
F Em A7

Cheguei a tempo de te ver acordar

Eu vim correndo à frente do sol

Abri a porta e antes de entrar

Revi a vida inteira

Pensei em tudo que é possível falar

Que sirva apenas para nós dois

Sinais de bem, desejos vitais

Pequenos fragmentos de luz

Falar da cor dos temporais

Do céu azul, das flores de abril

Pensar além do bem e do mal

Lembrar de coisas que ninguém viu

O mundo lá sempre a rodar

E em cima dele tudo vale

Quem sabe isso quer dizer amor

Estrada de fazer o sonho acontecer

( F F F Em A7 )

Pensei no tempo e era tempo demais

Você olhou sorrindo pra mim

Me acenou um beijo de paz

Virou minha cabeça

Eu simplesmente não consigo parar

Lá fora o dia já clareou

Mas se você quiser transformar

O ribeirão em braço de mar

Você vai ter que encontrar

Aonde nasce a fonte do ser

E perceber meu coração

Bater mais forte só por você

O mundo lá sempre a rodar

E em cima dele tudo vale

Quem sabe isso quer dizer amor

Estrada de fazer o sonho acontecer

( F F F Em A7 )
