

Paulinho Pedra Azul - Cantar

Tom: C

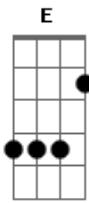

Se numa noite eu viesse ao clarão do luar
 Cantando e aos compasso de uma canção te acordar
 Talvez com saudade cantasses também
 Relembrando aventuras passadas, ou um passado feliz
 Com alguém

Cantar quase sempre nos faz recordar
 Sem querer
 Um beijo, um sorriso, ou uma outra
 Ventura qualquer
 Cantando aos acordes do meu violão
 É que mando depressa ir-se embora
 Saudade que mora em meu coração
