

Paulinho Pedra Azul - Precisamos de Amores

tom:
A

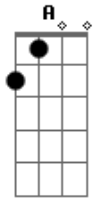

Veja bem
 O amor é uma coisa veloz
 Está fugindo do meio de nós
 E habitando as estrelas

Toda luz que faz parte da vida
 Tem o calor de uma amiga

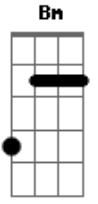

E faz a gente feliz

A vida é um espaço de ternura
 Não precisa de amargura
 Prá nascer um novo amor
 E o tempo sai correndo para o nada
 De que valem esses rancores
 Precisamos de amores
